## Newsletter

Monday 10th July 2023

### School Reminders

A few reminders regarding school start and end times and school uniform for children ready for next year.

#### School Dates and Times

- School starts at 9.00am—it is really important to get your child here promptly for the start of the day so that they do not miss any lesson time
- School term dates are available on the next page of the newsletter

#### Parking

- Parents are not allowed to park on the school site—spaces in the car park are reserved for taxis and minibuses

#### School Uniform

- School uniform consists of a green school polo shirt and green school sweatshirt or cardigan (available from the school)
- Black or dark grey trousers or shorts
- Black shoes or trainers

### National Numeracy's Family Maths Toolkit activities

#### Free Family Maths Toolkit resources available for primary schools

National Numeracy's [Family Maths Toolkit activities](https://www.nationalnumeracy.org.uk/free-family-maths-toolkit) are available free of charge to support schools and families in developing maths confidence amongst children.

The activity packs are available for all year groups from Reception to Year 6. The set includes short, fun activities for children and families to do together, exploring maths in creative ways and real-life contexts. The activities support the maths curriculum and are a great way to engage parents in their children's maths learning, as they're designed for children to complete at home with their families.

Alongside the primary school year group packs, the full set also includes activities for EYFS to KS4 around building positive mindsets – and some top tips for parents and carers too.

To download the full set of resources and use them with your classes, sign up on National Numeracy's website: <https://www.nationalnumeracy.org.uk/free-family-maths-toolkit>

### Health in the Park event

On Saturday 29 July 2023, The Hounslow Borough Based Partnership (BBP) in collaboration with Hounslow Council, health, voluntary and community partners are hosting a fun and interactive health and wellbeing event for all at [Redlees Park](https://www.hounslow.gov.uk/redlees-park), Isleworth, from 11am – 3pm.

FREE family activities include outdoor yoga, football, food workshops, painting, tennis, competitions, outdoor games, giant inflatable football, Tai Chi, meditation, treasure hunts, singing from the brain, and much more.

All activities are **FREE** and have been designed by health and community partners to offer something fun for all ages.

15 Marylebone Road  
London NW1 5JD

4<sup>th</sup> July 2023

Dear Parents,

We all want to keep our children safe and protected from serious illness. This is why we are asking you to support a focus on encouraging parents in North West London to ensure that their child is up to date on their routine immunisation course. The summer holidays are a good opportunity to catch up on any outstanding vaccinations before children return to school and start mixing again.

Vaccination rates have been falling in London, which was further exacerbated during the pandemic. We need to maintain a high level of vaccine uptake across the population to reduce the risk of outbreaks and the potentially serious impacts on children's health.

Since February we have seen an increase in the number of cases of measles across North West London which may develop into life-threatening illnesses such as meningitis and pneumonia.

### **Booking a vaccine over the summer**

Any children in London who are not up to date with their routine vaccinations can book one over the summer holidays.

### **Where do I get my child's vaccine?**

Your child can get their routine vaccinations at their GP surgery.

The NHS has also been contacting the parents of children who are not fully vaccinated to book an appointment at their GP practice or to access them at specialist community clinics in your local area. These will continue over the summer.

For more information on childhood diseases e.g. measles: [Health A to Z - NHS \(www.nhs.uk\)](https://www.nhs.uk/health-a-to-z)

Why vaccines are safe and effective [Why vaccination is safe and important - NHS \(www.nhs.uk\)](https://www.nhs.uk/why-vaccination-is-safe-and-important)

If you have any queries or require further information please contact [nhsnwl.immunisations@nhs.net](mailto:nhsnwl.immunisations@nhs.net)  
Thank you for your support.

Yours faithfully,

NHS North West London Immunisations Team
